Our Range of Innovative Paper  
& Board Packaging Solutions

**Detpak**

## Sustainable Choices

Our dedicated experts ensure we have sustainable solutions fit for an evolving regulatory environment through 2025 and beyond. It means sustainable choices today and the peace of mind you'll be ready for whatever tomorrow brings.

## Sustainable Materials

At Detpak, we only use paper and board from large, reputable raw material suppliers, which means no old growth forests are used.

## LaunchPad

We understand how important differentiation is across every aspect of your business. That's why we have LaunchPad™, our in-house R&D team, to drive innovation and growth exclusively for our customers, through bespoke design, materials science, cost engineering and sustainability. Our team of technical experts will work with you to develop customised solutions, bringing your idea to life.

CERTIFICATION

## Responsible Manufacturing

Our factories achieve the highest standards of food safety with certifications from BRC, SAI Global and DNV as well as customer auditors. We also have accreditation for Sedex Members Ethical Trade Audit (SMETA) which provides an international standard for social accountability. Partner with us for complete peace of mind.

# I am eco™

The I am eco™ range has been designed with the environment in mind at every stage - from sourcing of materials and manufacturing to distribution and end-of-life disposal. I am eco™ signals our commitment to forming a healthy, balanced relationship with our environment and with our customers. Each I am eco™ product is made from sustainable, natural raw materials and is compostable without compromising on function or quality.

## Endura Range

Our versatile Endura range is made with sturdy, fluted board, making it ideal for hot and greasy foods. The range includes trays, cartons and boxes that are recyclable, compostable, and sustainably sourced. Endura is the ultimate choice in earth friendly packaging and can be disposed of through regular kerbside recycling.

## Cartons

Perfect for takeaway or food on the go, our cartons and trays protect food integrity and promote heat retention and food presentation. We offer different ranges of lunch boxes with or without windows, perfect for hot foods, saucy foods and salads.

Our wide variety of Cartons & Trays includes clams, trays, snack boxes and chip carton through to patisserie options for sweets.

## Hot & Cold Cups

Just like a great cup of coffee, our range of hot and cold cups is a blend of science and art. Our comprehensive cup range promotes insulation, functionality and sustainability.

## Savoury Bowls

Our range of Savoury bowls are poly-lined, making them a versatile choice for serving hot, cold, and frozen foods like ice cream, soups, and salads. Our bowls are complemented with a range of dome and flat lids which are recyclable.

# Carry Bags

Our Paper Twist Handle and Flat Handle Carry Bags are strong, sturdy and stand upright on counters for easy loading. These carry bags are reusable and strong, with the largest size holding up to 18kgs and 10kgs respectively.

# Retail Bags

Retail Bags are poly-lined for freshness. They are a great choice for a variety of foods such as coffee beans, teas and muesli. Our retail bags can be easily resealed with the tin-tie. The poly lining and window are also BPA-free. Also available in an I am eco™ PLA-lined option.

# Wraps

Detpak provides a wide range of food wraps including waxed paper food wraps, foil wraps, burger wraps, sandwich wraps and deli food wraps.

Every food wrap in our range has been designed and tested to provide either light grease and moisture resistance through to a heavy grease resistance and moisture barrier, as well as heat retention.
