

SMALL RENEWABLE WAXED BURGER WRAP

The Renewable Wax Burger Wrap, available in an on trend "Gingham" design, has a heavy Renewable Wax application providing excellent grease resistance, making it ideal for wrapping foods such as juicy or saucy burgers, kebabs, hot dogs, hot rolls, or hot sandwiches. The Renewable Waxed Wrap range is certified Commercially Compostable to Australian Standard AS 4736 and European EN 13432, and Home Compostable to Australian Standard AS...
